

**The Turning Point Bursary
for Visual Artists**
Open Call - Large Print

The brief

'a space' arts is pleased to announce the launch of the second half of our of our biennial talent development bursary programme under its new name 'The Turning Point Bursary for Visual Artists', supporting artists in Hampshire and its bordering counties.

We're inviting contemporary visual artists at a 'turning point' in their artistic career to propose and carry out a 6 month programme of activity to develop their practice.

The Turning Point Bursary programme acts as a springboard to extend existing interests and explore new territories by enabling visual artists to propose a development project that is responsive to their needs, aligned with their practice, ambition, career position and long-term goals.

The definition of 'turning point' is open to interpretation, but previous projects selected have involved testing out new ideas and experimentation, creating or developing new work, mentoring and gaining skills and knowledge. Proposals can differ from these examples as long as applicants can make the case for it contributing to the development of their practice.

There are 4 places available on the 2023 programme.

The bursary is open to individual artists, collaborations and collectives, though only one bursary will be awarded per application.

This is a 1 stage application. All applicants can book an optional 1-to-1 application support session with Artist Development Officer, Mary Cork, in advance of submitting.

Successful applicants to the Turning Point Bursary for Visual Artists will receive:

- £1000 bursary to support their proposed activity
- Three 1-to-1 support sessions with the Creative Programming Team over 6 months
- Two group meetings with other Turning Point Bursary recipients, organised with the purpose of developing a final public sharing event at 'a space' venue God's House Tower; a chance to share new work, skills or knowledge gained through their project.
- Participation through in the final public sharing event at God's House Tower in August 2023.
